National Genius Awards – 2024

NGSE APPLICATION PROCEDURE

for Schools to Enroll Students

✿National Genius Search Examination®

The National Genius Search Examination® (NGSE) is a scientifically devised assessment tool to locate genius among children. It is an innovative approach for accelerated learning, developed more than 19 years of rigorous research and adaptability tests. The NGSE leads to the prestigious National Genius Awards Class wise with Prize Money.

The NGSE focuses on assessment for learning. It uses 'Own the Ownership of Learning Concept' (OOL Concept) to develop questions. These Questions brings in the required interest among students to take up the ownership of learning. This approach ensures maximum learning in optimal time with deeper understanding and conceptual clarity. The multi tasked Enhanced MCQs (EMCQs) of NGSE improves rapid decision making skills in daily life.

The National Genius Search Examination® 2024 (NGSE) is offered to the students of Class IV to IX in India and schools following Indian curriculum abroad. NGSE will be held in two Phases:

Phase-I: NGSE Mains 2024 will be held on Thursday, 30th November, 2023 and on Tuesday, 30th January, 2024. Schools can choose a date (from the given dates) as per their convenience.

Phase-II: NGSE Advanced will be held at the selected Centers across India & Abroad normally, but NGSE Advanced 2024 (Subjective paper) will be held on 27th February 2024 at the school itself for all the

participants. Subjective paper evaluation will consider for only those who have selected for the NGSE Advanced (Phase-II)].

✿Syllabus/Sample Questions

Syllabus of NGSE for each class/grade (equivalent) can be downloaded from the download section of the website: www.ngsfindia.org/downloads.php

NGSE questions are mainly based on daily life experiences. Success depends on answering them by grasping the underlying concepts. The questions do not follow a fixed structure or pattern. Students are advised to comprehend instructions for each question before they attempt to answer them.

✿Phase-I: NGSE Mains 2024

NGSE Mains is a single test comprises of Multiple Choice Questions with one or more right option, a series of right combinations and matching etc. to be answered in 90 minutes.

Mathematics & Science of the respective class are the major components of NGSE. It also includes Questions from the topics studied in the previous classes. A few General Knowledge questions related to scientific aspects too.

Marking the answers for NGSE Mains:

Students will be given Student Response Sheet (SRS) – OMR Sheets wherein the right answers are to be marked by darkening the circles using **BLACK PEN**. Answers once marked cannot be changed and not allowed to use the eraser or white ink. Such corrections if any will be treated as wrong answers.

✿Selection Criteria for NGSE Advanced

To qualify for the NGSE Advanced Examination, a student under:

1. National Quota: Should fall in the topmost 10% of all the participants those who took the NGSE Mains; based on their relative performance and cut-off marks, across India & Abroad. OR
2. School Quota: He/she should fall in top 5% of the participants from his/her school, (excluding those who qualified from the school under National Quota) to be eligible under the school quota provided he/she scores 70 Percentile (cut off) and above at the National Level.

✿Phase-II: NGSE Advanced 2024

NGSE Advanced is a written examination of a few descriptive questions with sub-questions to be answered in 90 minutes.

Important: The instructions for the NGSE Advanced may vary from class to class. Students are advised to read and follow the instructions given in the question booklets carefully before answering the questions.

The venue of the NGSE Advanced and the evaluation method will be decided by the NGSF Evaluation Council and their decision shall be final.

All the 100 Percentile scorers of NGSE Advanced will be conferred with the prestigious NGSF **National Genius Award and Prize Money** (NGSF Council will decide the Prize money in each year).

✿ National Percentile Score - NPS

The students scoring 60 Percentile & above in NGSE Mains shall be awarded Certificate of Excellence with National Percentile Score (NPS). This benchmark student's caliber among his/her peers across India & Abroad.

✿Unique Lifelong Enrollment Number

Enrollment numbers are allotted to all the participating students through the participating schools. The NGSE enrollment numbers once allotted (during any of the previous years) will remain the same for their life time. Change of school in India or Abroad won't change the Enrollment number.

✿Admit Cards

Admit Cards are issued to the candidates through the school. Admit Cards along with the school identity card acts as the proof of

identity. Candidates can collect their Admit Card & Enrollment No. from their schools.

These Admit Cards are to be returned along with the Answer Sheets. Students should keep a photocopy of the Admit Card for their reference and to have their enrollment number handy with them. Please remember that the enrollment number once allotted that won't change year after year. Students need to use the same enrollment number when they write NGSE in the following years.
